From

Amaresh Chakrabarti

Professor, Conference and Programme Chair

International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24

To

**Rajnish Mallick**

**Thapar Institute of Engineering and Technology**

Dear **Rajnish Mallick**,

## Invitation to Attend I4AM'24

I am delighted to inform you that your paper with ID **"30"** titled **"Data-driven Aircraft Engine Prognostics using Probabilistic Machine Learning on NASA C-MAPSS Dataset: An Industry 4.0 standpoint"** has been accepted for presentation at the 3<sup>rd</sup> International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24 to be held at Indian Institute of Science Bangalore, India during January 11-12, 2024.

I hereby invite you to attend and present your paper at the conference. Please note that conference organizers are unable to sponsor any part of your expenses related to the conference: all expenses are to be borne by you or your sponsors. Please also note that to attend I4AM'24, you need to register by paying the conference fee.

**The portal for registration is still open.** Further details about the conference, can be seen on the website: <https://cpdm.iisc.ac.in/i4am24/>.

Please also note that international participants need to obtain a valid visa from an Indian Embassy or consulate to enter India.

Yours Sincerely,

*Amaresh Chakrabarti*
