

3rd International Conference on Industry 4.0 and Advanced Manufacturing

11-12 January 2024
Indian Institute of Science, Bengaluru

I-4AM 2024 is the third in a biennial series of conferences held in India by the Centre for Product Design and Manufacturing (CPDM), Indian Institute of Science, Bengaluru. I-4AM brings together all stakeholders in manufacturing and Industry 4.0, to deliberate on the nature, needs, challenges, opportunities, problems and solutions in this transformational area.

The I-4AM series was initiated under the auspices of the Common Engineering Facility Centre (CEFC) on I4.0India@IISc (IISc Smart Factory) within the SAMARTH Udyog Bharat 4.0 programme of Ministry of Heavy Industries, Government of India.

The conference has invited/keynote presentations from eminent international experts and practitioners; Presentations of refereed papers as podium presentations; Industrial sessions to present perspectives from industry and studies in practice; Panel discussions; and invited start-ups and interactive sessions with entrepreneurs.

Conference and Programme Chairs
